102(b) rejection of claims 17, and 22-31

Claims 17, and 22-31 stand rejected under 35 U.S.C. §102(b) as being anticipated by commonly-assigned U.S. Patent No. 5,972,503 ("Woodside").

Applicants respectfully traverse this rejection, as Woodside is improperly applied as a reference. As noted at the time of filing, Applicants claim priority from 09/280,808, now US patent 6,579,616. The filing date for the '808 application was March 30, 1999. Woodside issued Oct. 26, 1999; the '808 application was co-pending with Woodside. Therefore Woodside is not a proper 102(b) reference, and this rejection should be withdrawn.

Accordingly, Applicant requests withdrawal of the 35 USC 102(b) rejection of the claims, and request prompt notice of allowance of claims 17 and 22-28. The Examiner is invited to telephone the Applicants' undersigned attorney at (740) 321-7167 if any unresolved matters remain.

Applicants authorize any fees required pertaining to this response be charged to Deposit Account No. 50-0568, including any fees for an extension of time.

Respectfully submitted,

By:
